Introducing the
Free Online PDF Converter

Create and Convert PDF Online 100% Free

Vancouver, Canada – PDFConverter .com is a developer of desktop software for PDF creation, editing and conversion. We are now pleased to announce the release of a fully free online PDF Converter. This new online PDF conversion service enables the users to create and convert PDF documents to Microsoft Word, Excel and PowerPoint formats without any cost.

The screenshot displays the PDFConverter.com website interface. At the top, a grey banner reads "FREE ONLINE CONVERSION in 3 easy steps". Below this are four colored buttons: "PDF to DOC" (blue), "PDF to XLS" (green), "PDF to PPT" (orange), and "create PDF" (red). The main content area is titled "Free PDF Conversion Online" and contains the following text:

Create PDF. Convert PDF. Online. 100% Free.

Our free online PDF Converter provides a quick and easy way to convert PDF to Word, Excel, and Powerpoint, allowing you to create a PDF from literally any file.

Not only is it a completely free file conversion service, it also enables you to avoid the hassle of having to install something on your computer.

Simply select the type of conversion, upload your file, enter your email address, and soon enough, you will receive an email with a link to your converted file. Maximum file size of an uploaded file is 2MB.

It's a simple, safe and hassle free way to create and convert your PDFs on the go!

To the right of the text is a circular diagram with four document icons labeled "XLS", "DOC", "PPT", and "PDF". An arrow labeled "CONVERT" points from the PDF icon to the XLS, DOC, and PPT icons. An arrow labeled "CREATE" points from the XLS, DOC, and PPT icons back to the PDF icon.

The free PDF conversion online service enables the users to perform the following conversions:

- Convert PDFs to Microsoft Word documents
- Convert PDFs to Microsoft Excel spreadsheets
- Convert PDFs to Microsoft PowerPoint slides
- Create PDF files from virtually any MS Windows file.

The conversion is a simple process. Upload the file, select your conversion type, and specify the email address where you want to receive the converted file. The file will be converted and delivered to your personal email within seconds.

Key features include:

- 100% free, safe and easy to use.
- No need to buy or install anything on your computer.
- Maximum file size of an uploaded file is 2MB.
- Converted documents are sent to the email address you specify. We guarantee that your email address will never be sold, rented or given to a third party. Without any exceptions.
- We respect and protect your privacy. The uploaded files are deleted 24 hours after conversion.
- Fast and accurate conversion results.
