PDF Converter Elite 3 Released

The only PDF management software you will need

Vancouver, Canada, January 19, 2012 – PDFConverter.com announces the release of PDF Converter Elite 3 (PCE 3). PCE 3 is a PDF management software with the ability to create, edit and convert PDF documents. PDF Converter Elite is a great, favorably-priced alternative to Adobe Acrobat, at only \$99.95.

PDF Converter Elite features all the must-have capabilities of Adobe Acrobat and many added functionalities that make it the only PDF software you will need for business or personal PDF management. PDF Converter Elite's most notable features include:

- The ability to create PDF files from 300+ different MS Windows applications that are 100% PDF compatible.
- Convert PDF documents to Microsoft Office document formats.
- Convert images and text from PDF and image documents to MS Word, Excel, PowerPoint and other formats.
- Secure your PDFs and control how others use them.
- Modify and rework your PDF documents.
- Convert Tiff documents into other formats such as Word, Excel and PowerPoint.

To top it all off, version 3 of PDF Converter Elite includes major improvements and new conversion options. Here is a sneak peak at the brand new PCE 3:

Completely New Interface Design

PDF Converter Elite 3 features a new graphical user interface with sidebar conversion options to provide a more user-friendly experience. The standard ribbon user interface is replaced with a toolbar which allows users to create, convert and modify PDFs right from the toolbar. The most used functions are now only one click away.

New Conversion Options

PDF Converter Elite 3 has added a PDF to Publisher conversion option for converting PDF documents into highly editable .pub files.

PCE 3 also includes a batch conversion for converting multiple PDF documents at once.

Conversion Quality and Performance Improvements

Our conversion algorithm has been completely updated and improved. PCE features further enhancements which make it work faster, better and produce a much better conversion output.

PDF Converter Elite is fully compatible with Windows XP, Vista, 7 and Microsoft Office 2003 to 2010.
