

PDFConverter.com

PDFConverter.com is the developer of PDF Converter Elite - a PDF management software with the ability to create, edit and convert PDF documents.

PDF Converter Elite was developed with the idea that there must be a better and more cost-effective way to offer PDF management software to businesses.

PDF Converter Elite is a one-stop PDF solution for businesses and professionals that helps them to increase productivity, and at the same time, save time and money.

Products

Our flagship product is PDF Converter Elite which allows you to:

Create PDF files from 300+ different MS Windows applications. The resulting PDF files are 100% compatible and can easily be opened and viewed with popular PDF readers such as Adobe Reader, Sumatra or Slim PDF Reader.

Convert PDF files to editable Microsoft Office formats such as Word, Excel, PowerPoint or Publisher.

Convert text from scanned and image PDFs to Word, Excel, Publisher and PowerPoint effortlessly.

Convert PDF to HTML.

Edit and modify PDF files by inserting watermarks, headers, footers, numbers and much more.

Secure and protect PDF files by encrypting them and imposing restrictions on how your files are used - you can easily disallow printing, copying or editing.

Convert tiffs to MS Office formats and more.

PDF Converter Elite is easy to use and comes with detailed instructions for users with little or no technical background and knowledge. [Download Free Trial](#)
